

# Investing Themes for Today & Tomorrow

*Davenport Asset Management presents the Virtual Investor Summit Series*

## Investing Themes for Today & Tomorrow

*November 2025*

This year has seen plenty of volatility brought on by record high markets and various governmental policies. How does an investor navigate under extreme conditions? Investing with purpose is crucial to developing a portfolio that allows for peace of mind and long-term gain.

Watch this video as George Smith and other members of the Davenport Asset Management Investment Team discuss investment themes and outlook for now and into the immediate future.
