

Heather Hall

Managing Director Regional and Branch Manager

With more than 25 years of experience at Davenport & Company, Heather is dedicated to providing top tier comprehensive investment advice and white glove personal service. She is committed to taking a personalized and tailored approach to planning and asset management. As a Financial Advisor, she understands the needs of her clients are paramount and uses a disciplined approach to investing and monitoring assets while working in concert with other professionals such as estate planning attorneys and CPAs to provide the best possible results. In addition to working with her clients, she serves as the Regional Manager of Davenport's Eastern region offices and Branch Manager of the Williamsburg, Newport News and Franklin offices.

Heather graduated Magna Cum Laude from Christopher Newport University with a B.S. degree in Finance and Economics. She is FINRA Series 7, 9/10, 63, and 65 registered and also holds her life, health and variable annuity insurance licenses, as well as her long term care insurance license.

Heather and her husband Brian are natives of Gloucester and now reside in New Kent with their children, Brenden and Harper. In her free time, you will find her at the soccer field with Brenden or at gymnastics meets and field hockey games with Harper. As a family, they enjoy time at the beach with their two rescue dogs, Roxy and Huk.
