

Ryan D. Shumate

First Vice President - Investments

Ryan joined Davenport in 2019 bringing 15 years of healthcare & technology business management experience. Prior to joining the firm, he was a Vice President with Change Healthcare, where his responsibilities included partnership business development, strategy execution, and ongoing client success. Before Change Healthcare, he held leadership positions in several private equity-backed healthcare technology firms, demonstrating a strong track record of building highly effective teams and executing strategic growth initiatives. Ryan believes his extensive business background provides a unique perspective for clients and a strong foundation for approaching wealth management with a holistic, strategic, and client-focused mindset.

Ryan graduated from Virginia Commonwealth University with a BA in Political Science and Government. He is Series 7 and 66 registered with the Financial Industry Regulatory Authority (FINRA) and is licensed to sell annuities, life, and health insurance. Away from the office, he enjoys spending time on the water at the family river cottage on the Northern Neck with his lovely wife, Allison, and their two young boys, Michael and Thomas.
